Brief profile of Mrs. Rajani Kesari

Mrs. Rajani Kesari, 47, is a commerce graduate, Chartered Accountant, Cost Accountant and Certified Public Accountant from the USA.

She joined Lafargeholcim in January 2018 as Regional Finance Head - Asia (India, SEA & Australia). Rajani had two distinct stints at Schneider Electric and Dr. Reddy's. She has diverse experience across internal audit, compliance, treasury, M & A, driving transformation. She has also played a very meaningful role in driving business impact both in India and Overseas. Working with Dr. Reddy's in Germany, she had to turn the business around and work across many fronts: legal, supply chain, using licenses to get more business, change the model from 'Doctor selling' to engaging with retailers, an experience of great learning.

She has very good understanding of Audit and Compliance and comes across as a very focused CFO who clearly drives for making an impact, speaks her mind, while at the same time she understands the need to drive the business as well.

She is on the Board of PT Holcim Indonesia Tbk, Jakarta, Indonesia and Lafargeholcim BD Ltd. Bangladesh. She is also a permanent invitee of audit committee of ACC Ltd. and Ambuja Cements Ltd.
