3 Post applicability of Goods and Services Tax (GST) with effect from July 1, 2017, the revenue from operations is disclosed net of GST. The revenue from operations for the half year ended September 30, 2017 is inclusive of excise duty and is accordingly not comparable with revenue for the half year ended September 30, 2018 to that extent.

4 Ind AS 115 Revenue from Contracts with Customers, mandatory for reporting periods beginning on or after April 1, 2018, replaces existing revenue recognition requirements. Under the modified retrospective approach there were no material adjustments required to the retained earnings at April 1, 2018. Also, the application of Ind AS 115 did not have any material impact on recognition and measurement of revenue and related items in the financial results.

5 During earlier years and in the current period, the Company has received show cause-cum-demand notices from the Excise department covering period from June 2000 till March 2017 for Rs. 1,381.55 crores (including penalty but excluding interest not presently quantified).

These demands are of excise duty payable on inclusion of the cost of bought out items in the assessable value of certain products manufactured by the Company, though such duty paid bought out items are directly dispatched by the manufacturers thereof to the ultimate customer, without being received in the Company's factory. The Company has filed an appeal against the said orders received before CESTAT, Mumbai. Based on independent legal advice, the Company is confident of the issue being ultimately decided in its favour and accordingly no provision has been considered necessary.

6 The Company has completed the acquisition process for the equity shares held by Babcock and Wilcox India Holding Inc. (B&W) in Thermax Babcock & Wilcox Energy Solutions Private Limited (TBWES) on July 19, 2018. Accordingly, TBWES has become a wholly owned subsidiary of the Company. The Company has accounted for the transaction on provisional basis under Ind AS 103 'Business Combinations'.

Pursuant to the acquisition, TBWES results which were earlier accounted for on 'Equity' basis have now been consolidated as a wholly owned subsidiary. Consequently, the financial results are not comparable to that extent.
