 & Recycle**

*We help you focus on your core business*

Technology Selection

Capital Investment

Construction and Installation

Comprehensive O&M

Chemicals, Spares and Consumables

Thermax Onsite Energy Solutions Limited (TOESL), a wholly owned subsidiary of Thermax Limited offers sustainable solutions, essentially renewable in nature, for utilities namely Steam, Heat, Chilled Water (Cooling), Water & Wastewater, Power and Combined Heat & Power through outsourced utility delivery services based on the Build-Own-Operate (BOO/T) business model.

### Build

State-of-the-art technology from Thermax - TOESL procures the best technology solution for the customer from Thermax.

### Own

No capital investment in utility equipment by customer - TOESL invests in the utility equipment and sets it up at the customer's site.

### Operate

Comprehensive Operation & Maintenance done by TOESL along with Chemicals Management and Residue Management

### TOESL – THE ULTIMATE CHOICE

- Assured utility quality & quantity
- Highest & consistent operating efficiency
- Uptime commitment

Sustainable Solutions in Energy & Environment
