3 The figures for the quarter ended March 31, 2020 are the balancing figures between audited figures in respect of the full financial year up to March 31, 2020 and the unaudited published year-to-date figures up to December 31, 2019 being the date of the end of the third quarter of the financial year which were subject to limited review by the statutory auditors.

4 During earlier years, the Group had received demand notices from the Excise department covering period from July 2000 till June 2017 for Rs. 1,385.47 crores (including penalty but excluding interest not presently quantified). These demands are of excise duty payable on inclusion of the cost of bought out items in the assessable value of certain products manufactured, though such duty paid bought out items are directly dispatched by the manufacturers thereof to the ultimate customer, without being received in the factories. The Holding Company has filed an appeal against the said orders received before CESTAT, Mumbai. Based on an independent legal advice, the Holding Company is confident of the issue being ultimately decided in its favour and accordingly, no provision has been considered necessary.

5 As part of organisational restructuring the Board of Directors and Shareholders of the Company, had approved the transfer of Boiler & Heater (B&H) business of Thermax Limited to Thermax Babcock & Wilcox Energy Solutions Private Limited (TBWES) on a going concern basis through slump sale. The B&H business was transferred to TBWES w.e.f. October 01, 2019. Accordingly, the results of B&H business was classified as discontinued operations in the standalone financial results in accordance with Ind AS 105 upto the date of such transfer. The financial parameters in respect of discontinued operations are stated below. The transaction has no impact on the consolidated financial results as the business is continued in TBWES.

6 The Group's operations and financial results for the quarter have been adversely impacted by the lockdown imposed to contain the spread of COVID-19. The operations gradually resumed with requisite precautions during the quarter with limited availability of workforce and disrupted supply chain. The results for the quarter are therefore not comparable with those for the previous quarter. The Group has assessed the impact of pandemic on its financial results/position based on the internal and external information available up to the date of approval of these financial results and expects to recover the carrying value of its intangible assets, trade receivables, contract balances and inventories. The Group continues to monitor the economic effects of the pandemic while taking steps to improve its execution efficiencies and the financial outcome.

Independent Auditor's Review Report on the Quarterly Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Thermax Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Thermax Limited (the "Company") for the quarter ended June 30, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to note 6 of the Statement which describes the management's evaluation of impact of uncertainties related to COVID-19 and its consequential effects on the carrying value of its trade receivables, contract balances and inventories as at June 30, 2020 and the operations of the Company. Our conclusion is not modified in respect of this matter.
