## **Thermax Group wins Rs. 293 crore order for a refinery and petrochemical complex in western India**

**Pune: August 25, 2021**

Thermax Babcock and Wilcox Energy Solutions (TBWES), a wholly owned subsidiary of Thermax, has concluded a Rs. 293 crore order for a boiler package comprising 3 x Oil & Gas fired boilers on EPC basis for a refinery and petrochemical complex in western India.

The scope of supply includes design, manufacture, installation, erection, commissioning and testing of the 3 x Oil & Gas fired boilers. This turnkey project based on EPC encompasses civil, structural, mechanical, E & I controls work.

“TBWES has won the order in this competitive bidding project owing to its proven product experience, compliance to quality standards, manufacturing and EPC capabilities,” says Ashish Bhandari, MD & CEO, Thermax.

**About Thermax Limited:** Thermax Limited, a leading energy and environment solutions provider, is one of the few companies in the world that offers integrated innovative solutions in the areas of heating, cooling, power, water and waste management, air pollution control and chemicals. Thermax has manufacturing facilities in India, Europe and Southeast Asia. The sustainable solutions Thermax develops for client companies are environment-friendly and enable efficient deployment of energy and water resources.
