## **Thermax wins Rs. 271.50 crore order from India's biggest refinery for mechanical balance of plant**

**Pune: April 28, 2023**

Thermax Limited has concluded an order of Rs. 271.50 crore from India's biggest oil refinery in the private sector for mechanical balance of plant (MBoP) works for the captive power plant (CPP) at their new oil-to-chemical (O2C) facility in the western part of India. The proposed CPP is expected to meet the incremental power demand of upcoming projects at the customer's premise as part of O2C expansion and the establishment of a mega factory.

Thermax with experience of more than 150 plus EPC projects in the domain has been entrusted by the customer to execute the MBoP work involving engineering, procurement/supply and construction & civil works. The project is slated to be completed within a span of 16 months.

**About Thermax Limited:** Thermax Limited, a leading energy and environment solutions provider, is one of the few companies in the world that offers integrated innovative solutions in the areas of heating, cooling, power, water and waste management, air pollution control and chemicals. Thermax has manufacturing facilities in India, Europe and Southeast Asia. The sustainable solutions Thermax develops for client companies are environment-friendly and enable efficient deployment of energy and water resources.
