Dear Sir / Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), we hereby inform you that the heavy rainfall and subsequent flooding in the state of Tamil Nadu, have led to inundation of the Solar Power Plant of our step down subsidiary, First Energy 4 Private Limited and under construction plant of step down subsidiary, First Energy 6 Private Limited located in Tamil Nadu.

We are taking necessary measures in co-ordination with relevant team/authority(ies) to restore normalcy and resume the operations in a phased manner, subject to receding of water level, resumption of normalcy in power supply, material movements etc. Necessary steps for restoration have been taken and we have intimated insurers. The delay in communication is due to our inability to connect with the local team promptly, as we sought to understand the impact on our operations. The information as required under SEBI Circular No. SEBI/HO/CFD/CFD-PoD-1/P/CIR/2023/123 dated July 13, 2023 will be submitted to exchanges once we are able to quantify the impact of this disruption.
